

ALCOHOL CATERING

OUR SERVICES

Cash Bar (minimum must be met) :

This is a bar set up where we charge your guests directly for each drink purchased. We offer a select menu of beverages for this service. We may accomodate special requests.

Hybrid Bar (open & cash blend) :

This service includes a set amount of drinks or hours designated by the host for the bar to be open. After that limit is reached, we transition to a cash bar and will charge your guests directly on a per drink basis. During the open bar time, host will be responsible for costs of drinks purchased. We offer a select menu of beverages for this service. We may accomodate special requests.

Bartending Service Only :

The client will be responsible for purchasing all the alcohol that will be served at the event. We only bartend, we do not purchase the alcohol.

Open Bar (minimum must be met) :

This service is charged on a per drink basis to the host and will be closed at your consumption budget. Guests do not get charged for their drinks. We offer a select menu of beverages for this service. We may accomodate special requests.
